Hello everyone! im new and i have some problems with this game.. im trying to use the editor but im having some problems.. Hi dear, My name is Yana, i was also new at this site. I have some problems with this new game too. I have recently bought the game (the global version on steam) at a big

discount. I saw that in the steam forums, the new FM13 was with a lot of problems, but i saw that people are still playing it. I have set my keyboard to the french keyboard of course. I can do only one mission in this game, and it is not possible to change the language anymore. I have completed the first tutorial of the game but i have no idea how to launch the editor. I just download at this channel the latest fm13
